

# Benefit Solutions That Stand Out

With GIS Benefits as part of your team, you gain exclusive differentiators that will help you win new clients and build long-lasting customer relationships. Our simplified, technology-based processes are designed to make multi-product, non-medical benefits sales easier. And our strong, high-volume relationships with select carriers give you access to a wide range of non-medical benefit solutions, plus:

- Consolidated non-medical RFP management and analysis
- Enhanced underwriting
- Higher guarantee issue amounts
- Reduced (or waived) minimum participation requirements

## Preferred Relationships with the Nation's Top Carriers
